Final Environmental Assessment
Available for Public Review

HACHAR-REUTINGER ROAD

From FM 1472 to I-35 West Side Frontage Road

CSJs: 0922-33-165, 0922-33-166

Webb County, Texas

This notice advises the public that the Texas Department of Transportation (TxDOT) has issued a final environmental assessment (EA) for the proposed Hachar-Reuthinger Road project, and that the final EA is available for public review. The proposed project would construct a new location four lane divided roadway from FM 1472 to I-35 West Frontage Road in Webb County, Texas.

The approved final EA is on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at TxDOT Laredo District Office, 1817 Bob Bullock Loop, Laredo, TX 78043. It is also available online at https://www.txdot.gov/projects/hearings-meetings/laredo/061523-hachar-reuthinger-road.html.

Pursuant to 23 CFR 771.119(h), TxDOT will issue a finding of no significant impact (FONSI) for this project no sooner than 30 days after the issuance of this notice of availability.

For further information or to request a copy of the approved final EA, please contact Chris Kloss – Environmental Coordinator by phone at (956) 712-7445 or by email at chris.kloss@txdot.gov.

The EA is written in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to review the EA, please contact the Laredo District Public Information Officer – Raul Leal at (956) 712-7416 no later than 4 p.m. CT, at least three business days before the date on which you would like to review the EA. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
