

***NOTICE AND OPPORTUNITY TO COMMENT***

**I-35 WIDENING AND INTERCHANGE IMPROVEMENTS AT UNIROYAL  
AND NEW HACHAR-REUTHINGER ROAD**

from 0.47 miles south of the Uniroyal Interchange to  
3.22 miles north of Uniroyal Interchange

within Webb County, Texas

**CSJs: 0018-05-089, 0018-05-101**

The Texas Department of Transportation (TxDOT) is proposing to widen and reconstruct I-35 from approximately 0.5 miles south of the Uniroyal Interchange (I-35/Uniroyal Dr./ Beltway Pkwy. Interchange), near Mile Marker (MM) 13, to approximately 3 miles north of the Uniroyal Interchange, near MM 17, within Webb County, Texas. This notice is affording an opportunity to comment as part of the environmental review process for this project. You are receiving this notice because records indicate that you own property that would be affected by this project and your property may be acquired (in part or in whole) for this project. If you are a property owner, you are receiving this notice because records indicate that you own property that (1) would be acquired (in part or in whole) for this project, or (2) is adjacent to the project. This notice and opportunity to comment is also being provided to affected local governments and public officials.

The proposed project would realign & widen the I-35 main lanes to consist of three travel lanes in each direction divided by a concrete traffic barrier. Throughout the project limits, the existing two-way frontage roads would be converted to one-way frontage roads & realigned within the existing right-of-way (ROW). At the various intersections, frontage roads would be widened to accommodate additional left and/or right turn lanes. At the Uniroyal Interchange the two existing I-35 overpass bridges will be removed and a new wider and taller bridge will be constructed in its place. Approximately two miles north of the Uniroyal Interchange, a new I-35/Hachar-Reuthinger Interchange will be constructed that will consist of elevated I-35 frontage roads with crossover bridges aligning with the proposed Hachar-Reuthinger roadway.

Although most of this proposed project will remain within the existing 350-ft. to 800-ft. wide I-35 right-of way (ROW), approximately 9 acres of new additional ROW will be required for this project. The location of these new ROW acquisitions are along both Beltway Pkwy. and Uniroyal Dr. at the I-35 Interchange, and along the west side of I-35 at the proposed I-35/Hachar-Reuthinger Rd. Interchange. Although additional ROW would be required, no residential or non-residential structures are anticipated to be displaced at this time.

Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT Laredo District office via **Gustavo Elizondo Jr. - TxDOT Right of Way Project Manager at 956-712-7462.**

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at **TxDOT Laredo District office, 1817 Bob Bullock Loop Laredo, TX 78043, 956-712-7460.**

Project materials are also available online at <https://www.txdot.gov/projects/projects-studies/laredo.html>

The project materials are written in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to review the project materials or submit information, please contact **Raul Leal - TxDOT Laredo District Office Public Information Officer at 956-712-7416. no later than 4 p.m. CT, at least three business days before the date on which you would like to review the project materials or submit information.** Please be aware that advance notice is required as some services and accommodation may require time for TxDOT to arrange.

If you have any general questions, concerns, or comments regarding the proposed project, you may contact and submit written comments to **Ana Duncan, Project Manager, 956-712-7460.**

All comments must be received on or before July 10, 2023.

Written comments may be submitted by mail to:

**TxDOT Laredo District Office,  
ATTN: Ana Duncan-Uniroyal Project  
1817 Bob Bullock Loop  
Laredo, TX 78043**

or by email to: **Ana.Duncan@txdot.gov**

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
