THE RURAL TIP

is list of local projects to be funded within a TxDOT District during the next four years, including those eligible for federal funding.

It can include projects for :

A Rural TIP project is anticipated to be funded within the next 4 years.

It shows regional agreement (community-region-state) on the need of a project.

The Rural TIP process includes opportunities to provide input on the priority of major projects that are listed on it.

Local and small projects around your community dealing with safety and access also get funding through the Rural TIP, for example:

Road expansions

Sidewalks

Bike lanes

Pavement repair or maintenance

New or improved signals

Turning lanes

The Rural TIP is a fiscally constrained list of projects that functions as a budgeting tool for our District.

Funds can come from:

Federal Government

Through the Federal Highway and Transit Administrations

TxDOT

Through its Unified Transportation Program funding categories

Local governments

Who may be required to provide matching funds for federal monies

“Fiscally constrained TIP” means:

It is realistic in terms of the amount of funding available.
