

RURAL TRANSPORTATION IMPROVEMENT PROGRAM (TIP)

The Rural TIP is a list of local projects to be funded over the next four years in your community.

Did you know?

A project included in the Rural TIP helps your community. By helping prioritize projects, you are helping the community get the projects it needs.

TxDOT's Laredo District

is hosting a virtual public meetings to review projects included in the **2027 – 2030 Rural TIP**.

Transportation projects for the following counties are included in this district's program:

- Dimmit
- Kinney
- Zavala

It is important for you to get involved because the Rural TIP signifies regional consensus (community-region-state) on the need and priority of a project. The Rural TIP helps identify fund-matching requirements for state and local governments.
