REPRESENTING: _____

(Texas Transportation Code, §201.811(a)(5)): check each of the following boxes that apply to you:

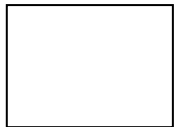

- I am employed by TxDOT
- I do business with TxDOT
- I could benefit monetarily from the project or other item about which I am commenting

Please comment below on the proposed North US 59 Loop upgrade project, which would include three 12-foot travel lanes in each direction, a center concrete traffic barrier, inside and outside shoulders and appropriately placed on-off ramps. The main lanes would be constructed between three-lane frontage roads. Main lane overpasses are proposed at Jacaman Road, University Boulevard, Del Mar Boulevard and Shiloh Boulevard intersections.

Comments can be mailed or sent via email at Chris.Kloss@txdot.gov. All comments must be postmarked or received by April 27, 2021.
