The Texas Department of Transportation (TxDOT) is hosting an informal open house to answer questions about FM 369/Southwest Parkway. The format is come-and-go. Plan sheets are available for review. Estimated construction to begin in 2-3 years. Staff will be available to answer questions, one-on-one, and receive comments.

**Proposed improvements are needed to improve traffic flow, turning movements, and safety along Southwest Parkway:**

- Intersection improvements along Southwest Parkway
- Closure of the center median to west entrance of South Lake Park Drive

The information sessions will be held at:

**TxDOT-Wichita Falls District Office  
1601 Southwest Parkway  
Wichita Falls, TX 76302**
