

# Notice and Opportunity to Comment

---

## **BI 20 East at Faudree Road** **CSJ: 0005-02-119 | Midland County, Texas**

The Texas Department of Transportation (TxDOT) Odessa District is proposing to construct an elevated intersection at Business Interstate (BI) 20 East and Faudree Road on the east side of Odessa, in Midland County. This notice is affording an opportunity to comment as part of the environmental review process for this project. If you are a property owner, you are receiving this notice because records indicate that you own property that (1) would be acquired (in part or in whole) for this project, or (2) is adjacent to the project. This notice and opportunity to comment is also being provided to affected local governments and public officials.

The proposed project would consist of constructing an elevated intersection at BI 20 East and Faudree Road. The project would also include connecting the currently discontinuous sections of Faudree Road north and south of the intersection.

Although additional right of way would be required, no residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the tentative schedule for right-of-way acquisition and construction can be obtained from the TxDOT district office by calling (432) 498-4645.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Odessa District Office, 3901 E. Highway 80, Odessa, Texas 79761, (432) 498-4645. Project materials are also available online at [www.txdot.gov](http://www.txdot.gov), keyword search "BI 20 East at Faudree Road."

The project materials are written in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to review the project materials or submit information, please contact Elizabeth Story, Project Consultant, at (210) 864-0049 no later than 4 p.m. CT, at least three business days before the date on which you would like to review the project materials or submit information. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.

You may submit written comments on this project. Written comments may be submitted by mail to Poznecki-Camarillo, c/o BI 20 Project Team, 4801 Northwest Loop 410, Ste. 108, San Antonio, TX 78229 or by email to [estory@pozcam.com](mailto:estory@pozcam.com). All comments must be received on or before Friday, March 22, 2024.

If you have any general questions or concerns regarding the proposed project, please contact Gabriel Ramirez, P.E., Advanced Planning Engineer, at (432) 498-4645 or [Gabriel.Ramirez@txdot.gov](mailto:Gabriel.Ramirez@txdot.gov).

*The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.*
