

Notice of Virtual Public Meeting

I-20 Operational Improvements

From Business I-20 West to Business I-20 East

CSJ: 0005-04-074 | Martin County, Texas

The Odessa District of the Texas Department of Transportation (TxDOT) is proposing operational improvements on I-20 from Business I-20 West to Business I-20 East in Stanton, Martin County, Texas. This notice advises the public that TxDOT will be conducting a virtual public meeting on the proposed project. The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by **Noon, Thursday, Jan. 15, 2026**, and will remain online for at least 15 days. To view the virtual public meeting, go to the following web address at the date and time indicated above: www.txdot.gov, keyword search "I-20 in Stanton" If you do not have internet access, you may call 432-498-4645 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process. Formal comments may be provided by mail or email as explained below.

TxDOT is proposing operational improvements to I-20, within the limits described above, which would include the conversion of frontage roads from two-way to one-way operation, as well as the reconfiguration of the I-20 and Business I-20 East interchange so that I-20 would cross over Business I-20 East. The ramps on the north frontage road between SH 137 and Business I-20 East would be reversed so that the exit ramp would be near Business I-20 East and the entrance ramp would be near SH 137, and U-turns would be added under each overpass (at SH 137, Business I-20 West and Business I-20 East). The improvements would be constructed entirely within existing TxDOT right of way.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Odessa District Office located at 3901 E. Hwy. 80, Odessa, TX 79761. Project materials are also available online at www.txdot.gov, keyword search "I-20 in Stanton".

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires accommodations to attend and participate in the virtual public meeting, please contact Maryann Cedillo, public information officer, Odessa District, at 432-498-4746 no later than 4 p.m. CT, **Monday, Jan. 12, 2026**. Please be aware that advance notice is required as some services and accommodations may require time for the TxDOT to arrange.

*El reunión pública para I-20 desde Business I-20 West hasta Business I-20 East se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera adaptación para asistir a y participar en reunión pública para I-20 desde Business I-20 West hasta Business I-20 East, por favor contacte a Maryann Cedillo, oficial de información pública, Distrito de Odessa, al 432-498-4746 a más tardar a las 4 p.m. hora central, **antes del lunes 12 de enero de 2026**. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que TxDOT los organice.*

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Odessa District Office, Attn: Gabriel Ramirez, P.E., advanced planning engineer, at 3901 E. Hwy. 80, Odessa, TX 79761. Written comments may also be submitted by email to Gabriel.Ramirez@txdot.gov. All comments must be received on or before **Friday, Jan. 30, 2026**. Responses to comments received will be available online at www.TxDOT.gov once they have been prepared.
