

VIRTUAL PUBLIC MEETING PECOS RELIEF ROUTE

The Texas Department of Transportation cordially invites you to attend a virtual public meeting regarding the new Pecos Relief Route Study. This proposed relief route would help long-term mobility, connectivity and safety needs on US 285 for local and through traffic.

Following the 2019 Pecos Truck Route study prepared by Reeves County, TxDOT will advance and further refine a relief route for US 285 around the east side of Pecos. No decisions have been made about the route's final location. TxDOT requests input on mobility and safety needs as well as considerations within the study area.
