

## Notice of Virtual Public Meeting 2027 – 2030 Rural Transportation Improvement Program Odessa District

The Texas Department of Transportation (TxDOT) Odessa District will conduct a virtual public meeting for the 2027 – 2030 Rural Transportation Improvement Program (Rural TIP). The purpose of this meeting is to provide information and receive comments on transportation projects that may be coming to your area. The Odessa District includes Andrews, Crane, Ector, Loving, Martin, Midland, Pecos, Reeves, Terrell, Upton, Ward and Winkler counties. The Rural TIP includes both grouped projects and individually listed projects that include added-capacity projects and regionally significant projects to be funded outside of the MPO boundary, and within a TxDOT district during the next four years, including those eligible for federal funding. This meeting offers the public an opportunity to review and comment on the proposed priorities. The Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).

The virtual public meeting will consist of a pre-recorded presentation outlining projects in Andrews, Martin, Midland, Pecos, Reeves, Terrell, Upton, Ward and Winkler counties. The presentation will be available at the time and date indicated below:
