If you do not have internet access, or you have questions regarding the proposed project or virtual meeting, please contact the project team at (281) 820-7413 or sh115south@entechhou.com.

Proposed Project:

The Texas Department of Transportation (TxDOT) is proposing improvements on SH 115 starting at Spur 247 in Ward County and extending north approximately 47 miles eventually ending at SH 128 in Andrews County. Proposed improvements would include widening the rural areas to a four-lane divided highway with two lanes in each direction and a center median. No improvements are anticipated through the cities of Wink or Kermit.

Accommodations:

The virtual public meeting will be conducted in English. If you need an interpreter or document translator because English is not your primary language, or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the virtual public meeting, please contact the project team at (281) 820-7413 no later than 4 p.m. Thursday, Sept. 22, 2022. Please be aware that advance notice is required as some services and accommodations may require time for TxDOT to arrange.
