

# Loop 338 from E Yukon Road to US 385 N

TxDOT Odessa District

Ector County, Texas

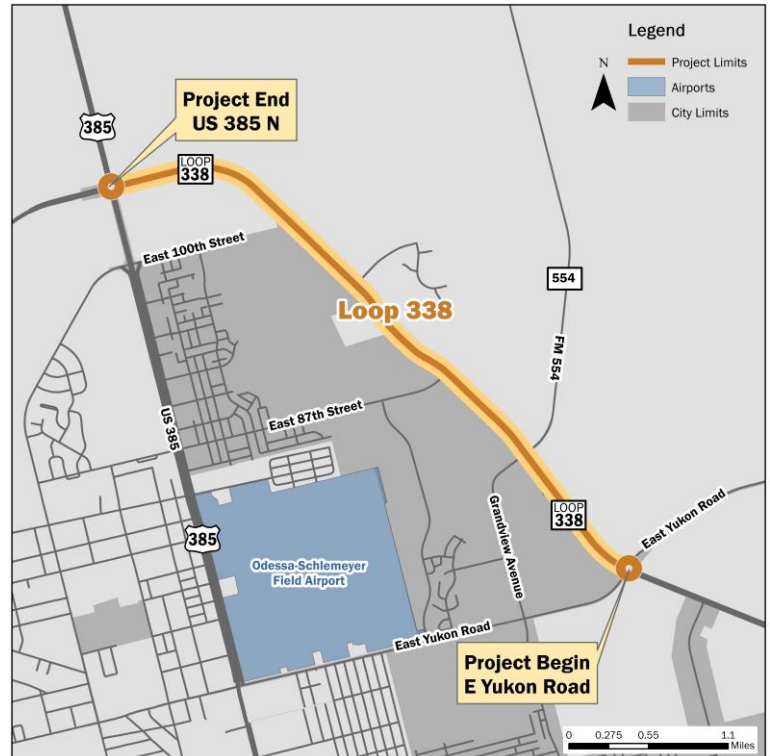

CSJ: 2224-01-117

## Project Overview

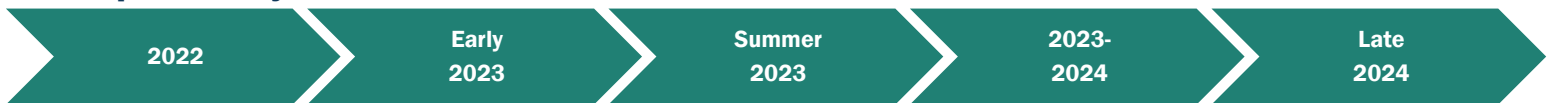

TxDOT is proposing to widen Loop 338 from E Yukon Road to US 385 N in Ector County, Texas. The proposed expansion would include widening Loop 338 within the project limits from a four-lane divided highway to a four-lane freeway with frontage roads in each direction, for a distance of approximately five miles.

Proposed upgrades to the corridor would add:

- Two-lane, one-way frontage roads in each direction.
- New overpasses at Grandview Avenue, 87<sup>th</sup> Street, and 100<sup>th</sup> Street with a signalized intersection on the ground level.
- Entrance and exit ramps between major intersections for access to the Loop 338 main lanes.
- A 10-foot shared-use path to accommodate bicyclists and pedestrians located on the outside of the frontage roads.
- Grassy medians with ditches for drainage.

## Anticipated Project Timeline

- \*This timeline is approximate and subject to change.

Advancement to right-of-way acquisition, utility adjustments, detailed design, and project construction is contingent upon the results of the environmental process and funding availability.

## What are TxDOT's goals?

Identify a long-term solution that improves:

- ✓ Safety
- ✓ Mobility
- ✓ Connectivity
