**Public Meeting with Virtual Option**  
**FARM TO MARKET (FM) 1570**  
**from I-30 to SH 66**  
**and**  
**from I-30 to SH 34**  
**CSJs: 2659-01-010 and 0692-01-020**  
**HUNT County, Texas**

The Texas Department of Transportation (TxDOT) Paris District in partnership with Hunt County are proposing to widen and improve FM 1570 from Interstate Highway 30 (I-30) to State Highway (SH) 66 and from I-30 to SH 34, a total of approximately 5.80 miles, in Hunt County, Texas. This notice advises the public that TxDOT will be conducting a public meeting on the proposed project with a virtual option. The public meeting will be conducted in an open house format. Public meeting attendees will be able to view the same presentation delivered in the online virtual meeting which will be playing on a screen, review project materials, ask questions of TxDOT staff and/or consultants, and leave written comments. The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components.

**The virtual meeting presentation will be posted online by Tuesday, December 12, 2023, at 5:00 p.m.** The materials can be viewed at your convenience. To log onto the virtual meeting, go to the project website any time during the dates and times indicated below. If you do not have internet access, you may call (903) 453-3107 between the hours of 8 a.m. and 5 p.m. Monday through Friday, to ask questions and access project materials during the project development process.

**Public Meeting**

Tuesday, December 12, 2023  
5:00 p.m. to 7:00 p.m.  
Fletcher Warren Civic Center  
5501 S Hwy 69, Greenville, TX 75402

**Virtual Option\***

The proposed project involves the reconstruction of the existing two-lane rural roadway to a four-lane roadway with curb and gutter and a two-way left turn lane. A continuous 8-foot-wide shared-use path would be constructed on both sides of the roadway. Portions of the roadway are within the city limits of Greenville. The existing FM 1570 right-of-way (ROW) ranges from 100-feet to 120-feet throughout the length of the project. The proposed ROW width ranges from 100-feet to 125-feet.

The proposed project would, subject to final design consideration, require approximately 6.8 acres of additional right-of-way and approximately 1.6 acres of additional permanent drainage easements. No residential or non-residential structures are anticipated to be displaced at this time. Information concerning services and benefits available to affected property owners and information about the

tentative schedule for ROW and drainage easement acquisition and construction can be obtained from the TxDOT Greenville Area Office by calling (903) 453-3107 or online at the project website.

Any environmental documentation or studies, maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Greenville Area Office, located at 3001 I-30 East, Greenville Texas 75402, (903) 453-3107. Project materials are also available online at [www.txdot.gov](http://www.txdot.gov) and search using keywords "FM 1570 from I-30". Project materials will also be available in hard copy form for review at the public meeting.

The public meeting and virtual meeting option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to review the project materials or submit information, please contact Tim McAlavy, at (903) 737-9213, no later than 4 p.m. CT, at least three business days before the date on which you would like to review the project materials or submit information. Please be aware that advance notice is required as some services and accommodation may require time for TxDOT to arrange.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Greenville Area Office, Attn: James Atkins II, P.E., 3001 I-30 East, Greenville Texas 75402 or by email to [James.Atkins@txdot.gov](mailto:James.Atkins@txdot.gov). Verbal comments may be submitted by leaving a voicemail by calling (903) 453-3107. **All comments must be received on or before Wednesday, January 3, 2024.** Responses to comments received will be available online at the website shown above once they have been prepared.

If you have any general questions or concerns regarding the proposed project or virtual meeting or in-person option, please contact James Atkins II, Area Engineer, Greenville Area Office at (903) 453-3107, [James.Atkins@txdot.gov](mailto:James.Atkins@txdot.gov).

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 9, 2019, and executed by FHWA and TxDOT.
