If you are a property owner, you are receiving this notice because records indicate that you own property that (1) would be acquired (in part or in whole for this project, or (2 is adjacent to the project. On October 26, 2020, Hidalgo County Precinct #4, in cooperation with the Texas Department of Transportation TxDOT , held a virtual public meeting to convert FM 2220 Ware Road) from Mile 5 Road to FM 1925 Monte Cristo Road from two lanes to six lanes with right turn lanes at intersections, realign the double curve between Mile 5 Road and Mile 6 Road, improve the intersection alignment at FM 1925 Monte Cristo Road), and realign Russell Road.

Hidalgo County Precinct #4 is now proposing to convert the two-lane Russell Road to a four-lane roadway with a continuous left turn lane and shared use path within the existing 100-foot-wide ROW. Drainage would be handled by a storm drain system. Additional changes since the public meetings include approximately 300-feet of incidental construction east of Rooth Road to ensure a proper roadway transition and approximately 566-feet north on Rooth Road to fix the misaligned intersection. All work would occur within the existing right of way (ROW). No ROW acquisition or displacements are anticipated as a result of the design change.
