The Texas Department of Transportation (TxDOT) – Pharr District will conduct an online virtual public meeting for the August Revision of the 2023 – 2026 Rural Transportation Improvement Program (Rural TIP). The purpose of this meeting is to provide information and receive comments on which transportation projects may be coming to your area. The Pharr District includes, Kenedy, and Willacy County. The Rural TIP includes all added capacity and regionally significant projects to be funded within a TxDOT District during the next four years, including those eligible for federal funding.
