2027 – 2030 Rural Transportation Improvement Program - Rural TIP

NOTICE OF VIRTUAL PUBLIC MEETING

The Texas Department of Transportation (TxDOT) - Pharr District will conduct a virtual public meeting to provide information and receive comments on which transportation projects may be coming to your area.

The 2027 – 2030 The Rural TIP includes both grouped projects and individually listed projects that include added-capacity projects and regionally significant projects to be funded outside of the Metropolitan Planning Organization (MPO) boundary, and within a TxDOT district during the next four years, including those eligible for federal funding. As such, this meeting offers the public an opportunity to review and comment on the proposed priorities. The Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).

The Rural TIP meetings are being held pursuant to Title 43, Texas Administrative Code, Section 16.102, which calls for an opportunity for public comments concerning the program. The same information including a short presentation, exhibits explaining how the Rural TIP operates, and projects that are included in it will be available to view at each public meeting.

Special Accommodations: *The virtual public meeting will be conducted in English and in Spanish. If you need an interpreter or document translator because English or Spanish is not your primary language or you have difficulty communicating effectively in English or Spanish, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to participate in the virtual public meeting, please contact Ms. Norma Robledo, at 956-702-6161 no later than 4 p.m. CT, March 20, 2026.
