

Welcome

Public Meeting

Little York Road & Tidwell Road At Union
Pacific Railroad at-grade railroad crossings

Thursday, May 7, 2026

Public Meeting Purpose

Inform the public of project status and next steps.

Describe the project so the public can determine how they may be affected.

Grant the public an opportunity to provide input.

Develop a record of public participation.

Project Overview

Project Area

Little York Road and Tidwell Road at-grade crossings with Union Pacific Railroad adjacent to Hirsch Road.

City

Houston

County

Harris

Project Location – Little York Road

Project Limits

From 0.29 miles west of Hirsch Road to Wicklowe Street

Project Length

Approx. 0.58 miles

Project Location – Tidwell Road

Project Limits

From Friendly Road to Lavender Street

Project Length

Approx. 0.51 miles

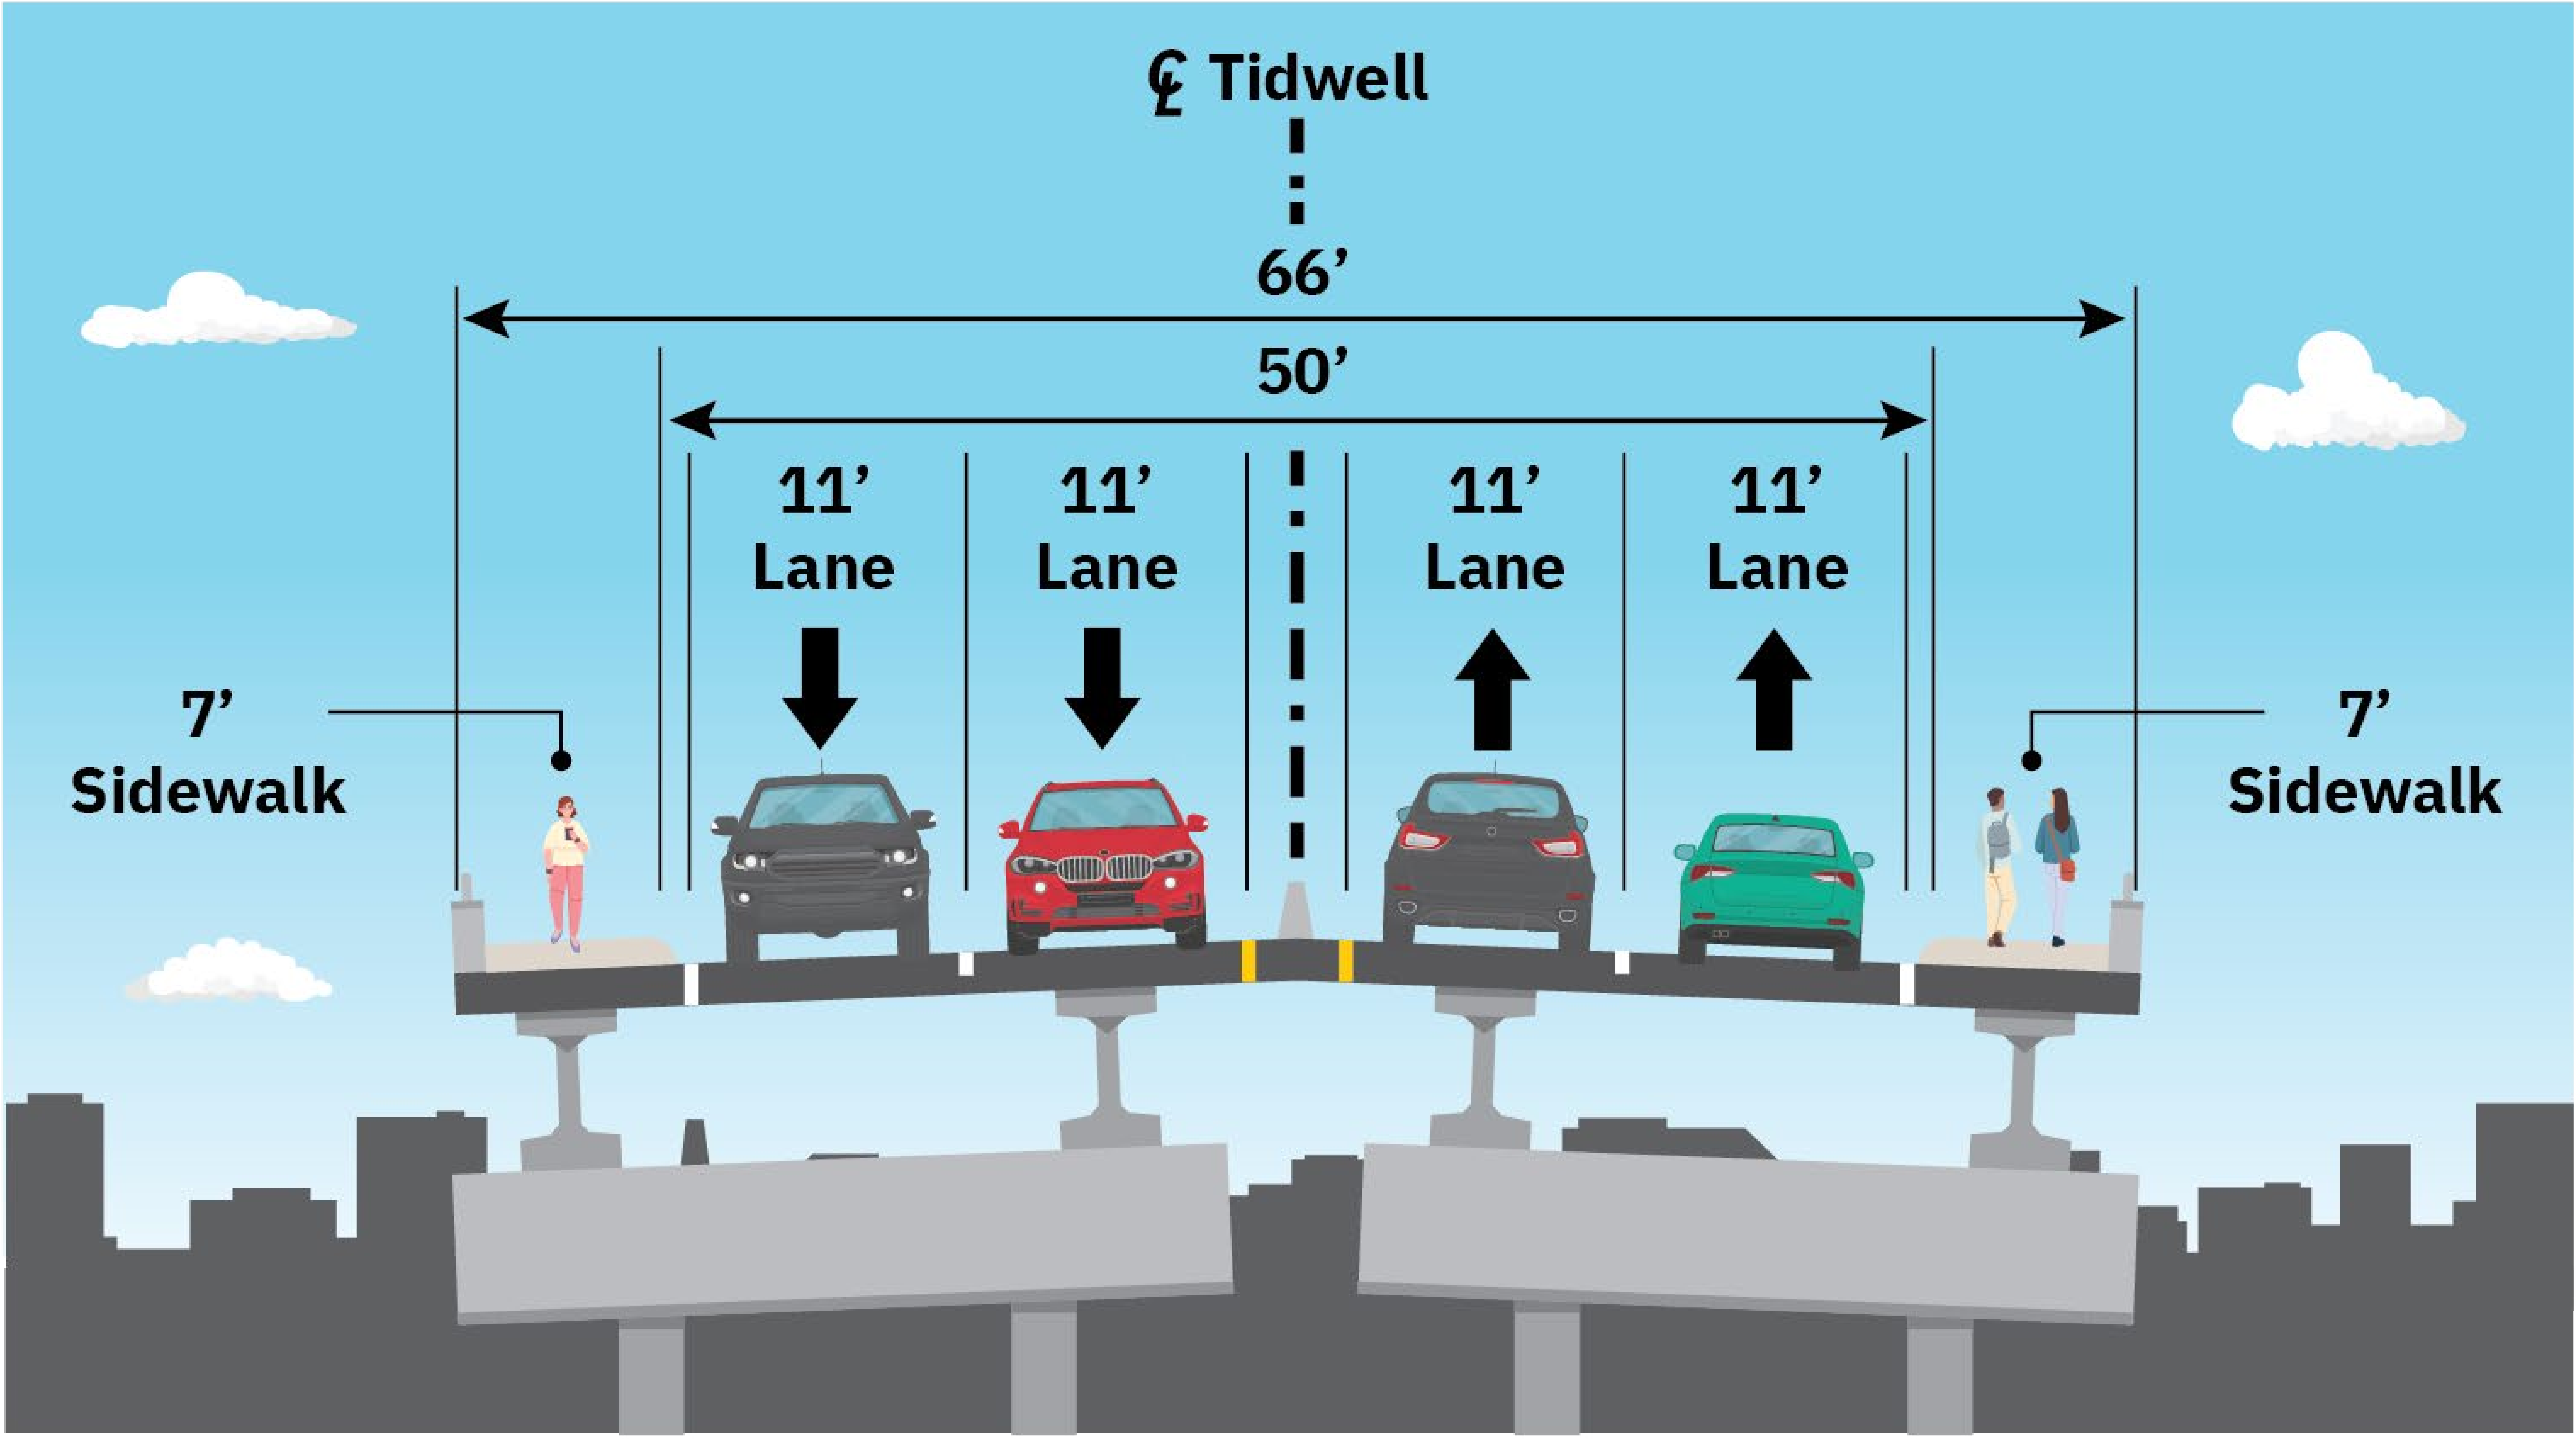

The project is evaluating potential grade separation options at the Union Pacific Railroad at-grade railroad crossings at Little York Road and Tidwell Road adjacent to Hirsch Road.

The purpose of the project is to evaluate options that could improve **safety**, **mobility**, and **connectivity** in the project area.

Tidwell Road: Existing Typical Section

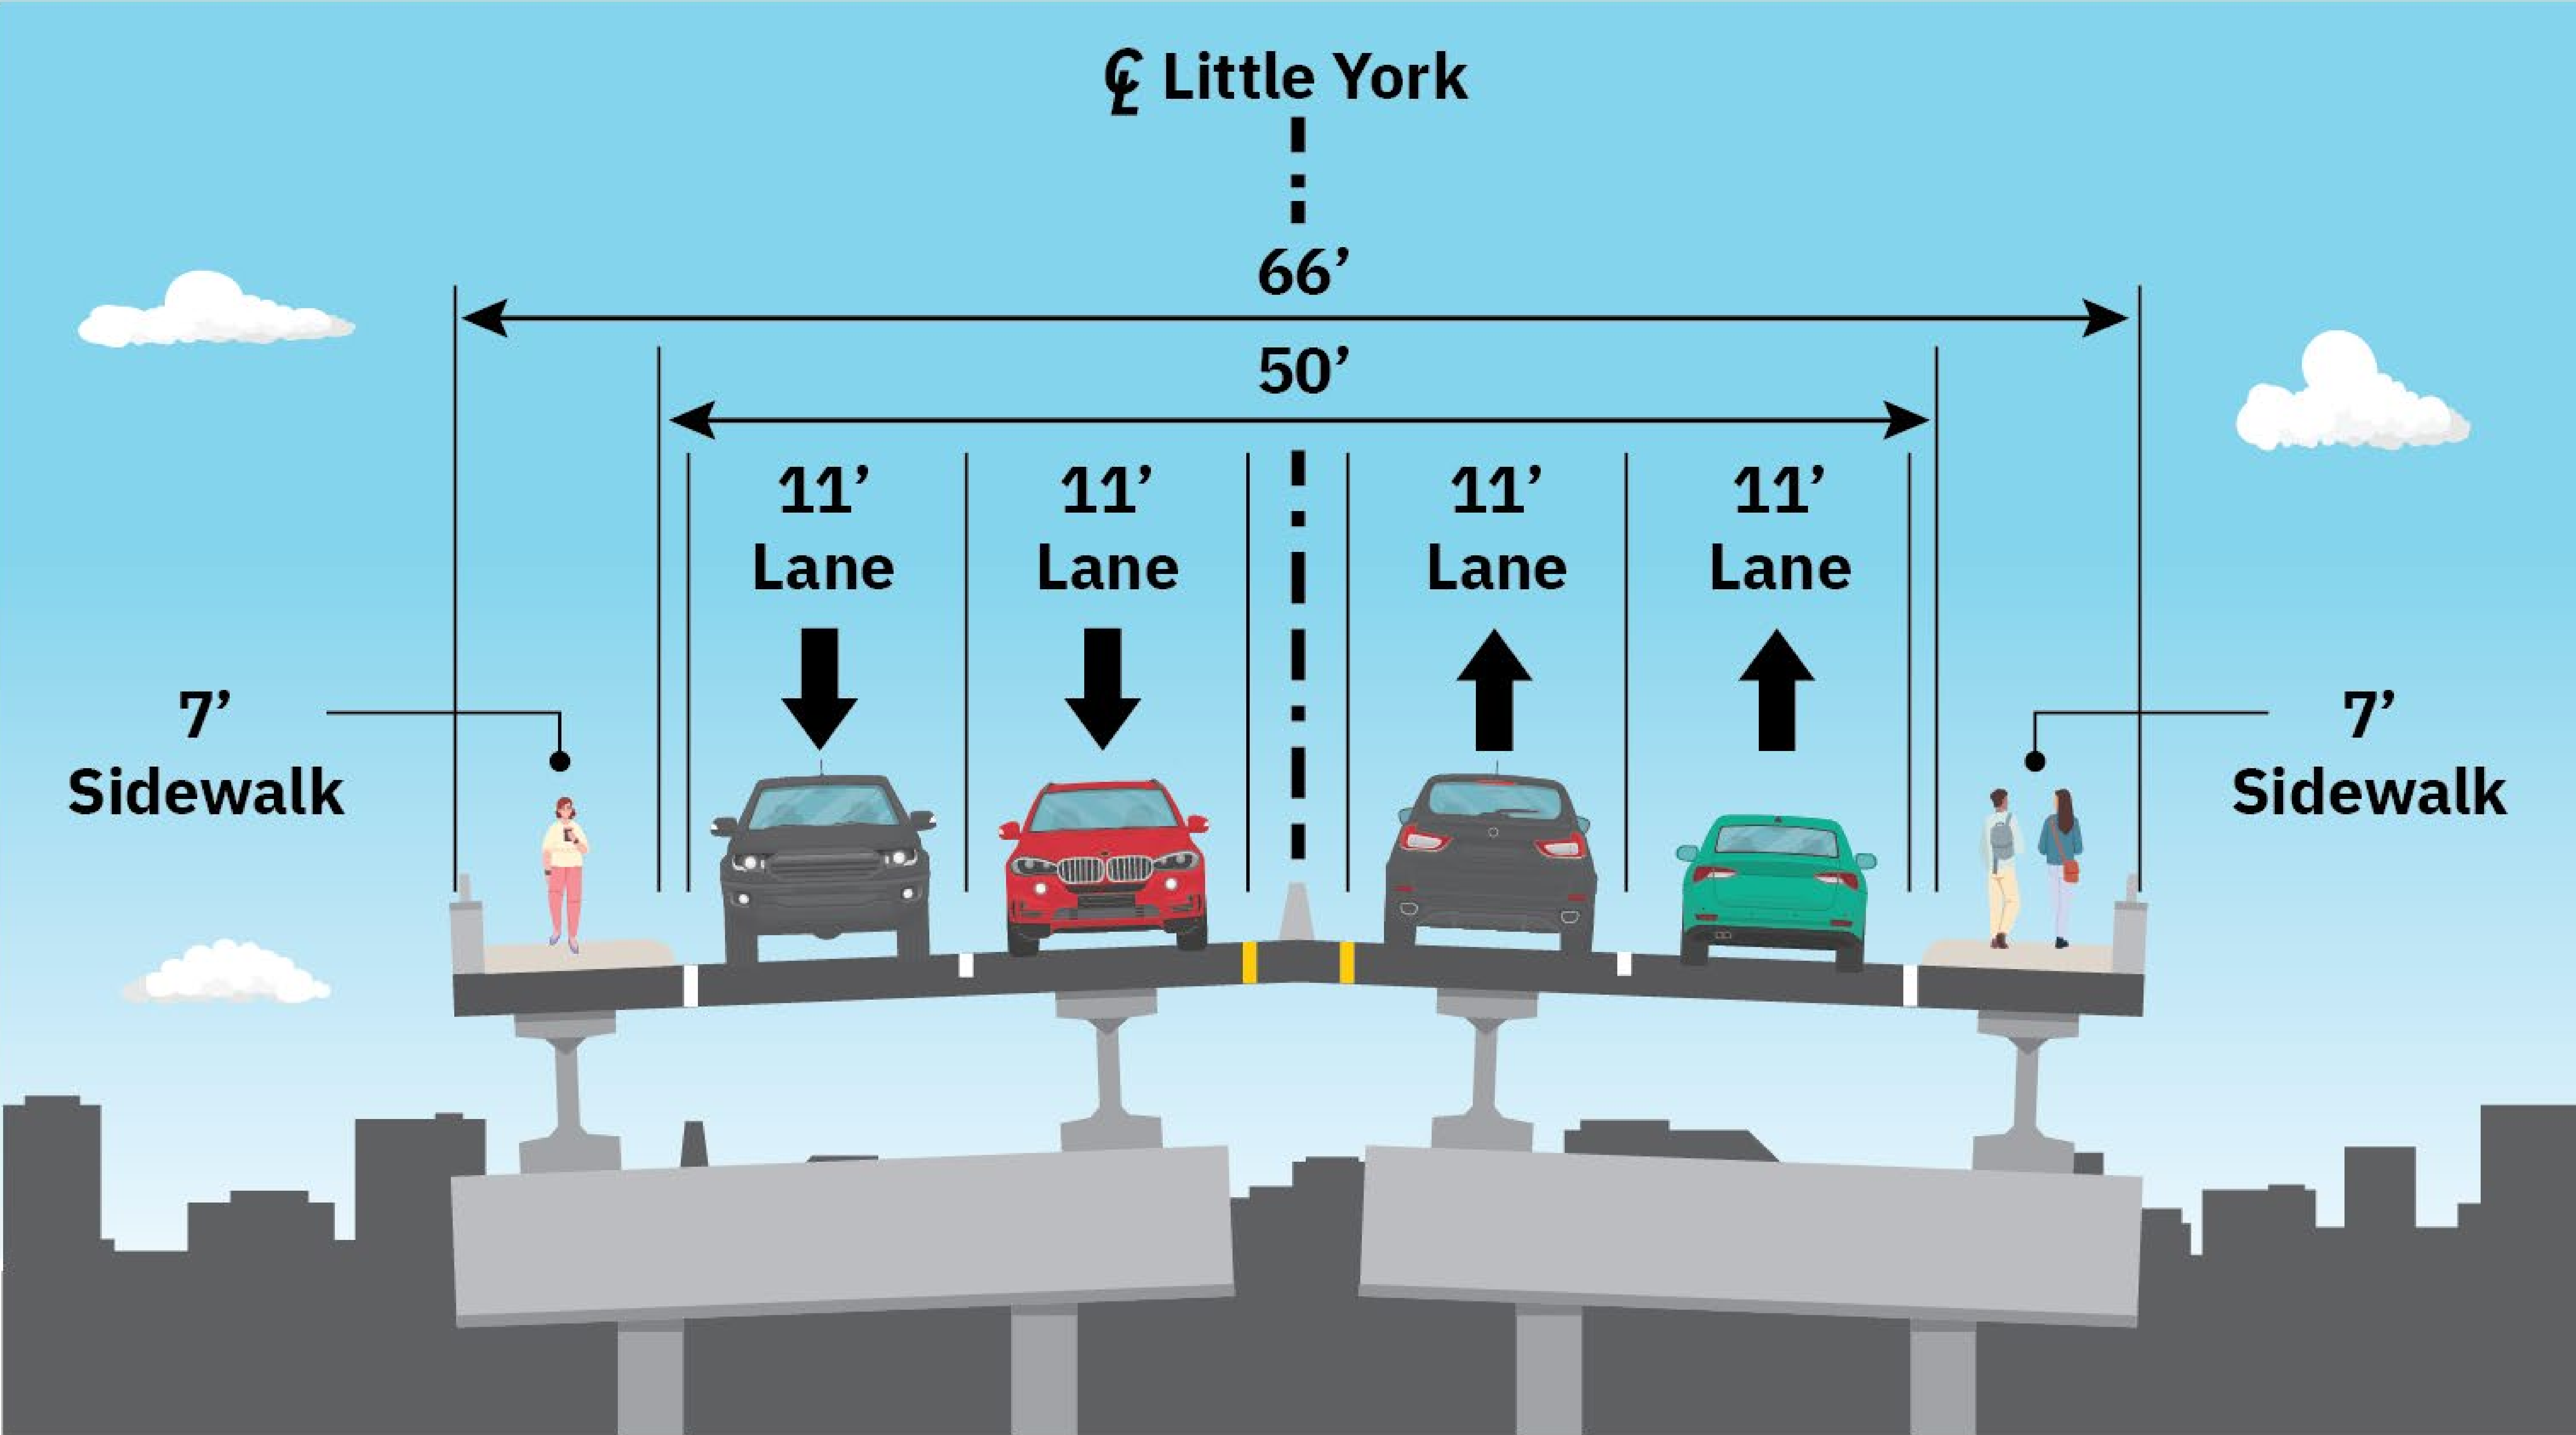

Tidwell Road: Proposed Bridge

Little York Road: Existing Typical Section

Little York Road: Proposed Bridge

Little York Road

The project may require approximately **0.3 to 0.5 acres** of additional right of way, depending on the alternative selected.

Tidwell Road

The project may require approximately **0.5 to 2 acres** of additional right of way, depending on the alternative selected.
