

**Notice of In-Person Workshop with a Virtual Option
For the Development of the
2023- 2026 Rural Transportation Improvement Program
San Antonio District**

The Texas Department of Transportation (TxDOT) in cooperation with the Alamo Regional Rural Planning Organization (ARRPO) will conduct an in-person workshop with a virtual option at the following location and time:

McMullen County
January 20, 2022
5-7 PM
Emergency Operations Center
306 Live Oak Street
Tilden, Texas 78072

The purpose of this workshop is to receive comments on the draft 2023-2026 Rural Transportation Improvement Program (Rural TIP) and to receive feedback for future planning efforts for the Alamo Regional Rural Planning Organization. The ARRPO region includes Atascosa, Bandera, Frio, Karnes, Kendall, Kerr, Gillespie, McMullen, Medina, and Wilson county, the San Antonio District also covers Uvalde county for the purposes of the Rural TIP. A workshop will be held in each county. Visit txdot.gov and keyword search "San Antonio RTIP" to participate virtually, review materials and get a full schedule of county workshops.

The Rural TIP includes all regionally significant projects to be funded within a TxDOT District during the next four years, including those eligible for federal funding. As such, these workshops offer the public an opportunity to review and comment on the proposed priorities. A project in the Rural TIP is a project coming to your community. The development of the Rural TIP is the first step on the road to producing a Statewide Transportation Improvement Program (STIP).

The Rural TIP workshops are being held pursuant to Title 43, Texas Administrative Code, Section 16.102, which calls for an opportunity for public comment concerning the program. A presentation and exhibits showing how the Rural TIP operates and projects included in it will be displayed at each workshop. The virtual option will include the same information presented at the in-person workshop and include a pre-recorded presentation, individual county program materials and an interactive map. The virtual option will be available at the time of the workshop.

All community members are encouraged to participate in the workshop and provide written comments on the proposed program. Comments must be postmarked or otherwise received by April 7, 2022 to: Texas Department of Transportation, San Antonio District, Attn: Rural TIP; 4615 NW Loop 410 San Antonio, Texas 78229; by email to Darcie.schipull@txdot.gov, Attention: Rural TIP or online at txdot.gov keywords "San Antonio RTIP".

The workshop and virtual option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the workshop or the virtual option please contact Darcie Schipull at (210) 615-5902 no later than 4:00 pm CT, January 14, 2022. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.
