

Next Steps

TxDOT SH 16 Study

ONGOING COMMUNITY ENGAGEMENT

Notes:

- 1) The schematic and environmental studies phase is dependent on selection and support of a preferred Build Implementation Plan.
- 2) There is currently no funding for improving SH 16 (Bandera Road). During the schematic and environmental phase, TxDOT will begin coordination with regional partners to identify funding opportunities for the preferred Build Implementation Plan.
- 3) Right-of-way acquisition and utility relocations would not begin until after approval of the design schematic and environmental studies.
- 4) Construction phasing and timeline has not yet been identified.

Commenting Options:

1. Fill out a comment card at the comment table.
2. Email comments to BanderaRoad@pozcam.com
3. Mail comments to:
SH 16 (Bandera Road) Study Team
5835 Callaghan Road, Ste. 200
San Antonio, Texas 78228
4. Visit the online public meeting at www.txdot.gov
keywords "SH 16 (Bandera Road)".
