Registration

Thanks for joining us! Each of the boards listed below has a letter next to it. You can use that letter to find its location on the map on the back of this page. Staff are wearing name tags so feel free to ask any questions you may have.

- A. Welcome Board
- MOU Environmental Memorandum of Understanding Board

Station 1: Background

Visit our **Background Station** to learn about the current studies being done by TxDOT and the City of San Antonio and what it means to plan for a multimodal corridor.

- B. Project Background Board
- C. Corridor Studies Board
- D. Corridor History Board
- E. Multimodal Options Board

Station 2: Existing Conditions

At the **Existing Conditions Station**, you can learn more about the current configuration of SH 16 (Bandera Road) and what that means for how it operates.

- F. Existing Conditions Board
- G. Existing Intersections and Driveways Board
- H. Walking/Biking Analysis Board

Station 3: Data Collection

Stop by our **Data Collection Station** to hear what we've learned so far about the corridor.

- I. Traffic Volumes Board
- J. Crash Data Board
- K. Traffic Origin & Destination Board #1
- L. Traffic Origin & Destination Board #2
- Understanding Traffic on SH 16 (Bandera Road) Video

Station 4: Vision Graffiti Wall

If money was not an issue, what would you like to see on SH 16 (Bandera Road)? Use this station to be creative and dream a little.

- M. Graffiti Line Diagram Roll Plot

Station 5: Map Exercise

Share your thoughts, questions, and concerns about SH 16 (Bandera Road) on one of our maps using sharpies, post-its, and pre-printed stickers.

- N. Map Your Comments Board

Community Input

Share with us how congestion affects your life and what changes you might make if it continues to worsen.

- O. Travel Options Board

We want to hear from you! Whether you write or say your comments, be sure to make your opinion heard.

- P. Commenting Options Board
- Q. Next Steps Board
- R. Community Engagement Board
- Community Engagement Looped Presentation
- Agency Outreach Table (VIA, CoSA Vision Zero and MPO representatives)
