Study Purpose

To identify multimodal transportation needs and prioritize improvements to enhance safety, mobility, connectivity, and system continuity along the study corridor and to support economic opportunity in the region.

US 377 Texas Corridor Study North Working Group Chair

Jim Jarratt

North Working Group Chair

Jim Jarratt has been the Mayor for Granbury since 2021. Serving the community on various boards, including the Municipal Utility Advisory Board, Grandbury Capital Expenditures Advisory Board, and the Hood County Library Advisory Board amongst others.

TxDOT Leadership

Humberto Gonzalez, P.E., M.B.A.

TxDOT Director, Transportation Planning and Programming Division

Humberto Gonzalez Jr., P.E., started his TxDOT career in 1999 as summer intern and joined full-time in 2003 as a construction project engineer in Laredo. In 2006, he became a design engineer in the District Transportation Planning & Development Section, earning his Professional Engineer License in 2007. Gonzalez held leadership roles, including Laredo District design engineer and deputy district engineer. In 2022, he was appointed director of the Transportation Planning and Programming Division, overseeing operations and development projects.

Andrew Canon

Section Director, Freight, International Trade and Connectivity

Andrew co-founded TRIAD Consulting Group where he provided translation services to the oil and gas industry. He then went on to work for TxDOT as a Transportation Planner in the Transportation Planning and Programming Division. From 2004 to 2023, he served as Executive Director of the Hidalgo County Metropolitan Planning Organization, and then the Rio Grande Valley Metropolitan Planning Organization. In his current role, Andrew directs and manages a wide range of projects from the Statewide Freight Mobility Plan, Corridor Planning Projects, and International Trade and Transportation Planning Studies.

US 377 Texas Corridor Study Team

Lorena Echeverria de Misi, P.E.

Corridor Planning Branch Manager, TxDOT Transportation Planning and Programming Division

Lorena has over 25 years of combined experience in the private and public sector. Her experience includes planning, design, management, and construction of urban and rural transportation projects. Before being names Manager of the TPP Division Corridor Planning Branch, she held different positions at Austin District and PEPS Division.

Cary Karnstadt

Corridor Project Manager, TxDOT Transportation Planning and Programming Division

Cary has worked for TxDOT for over 25 years in various roles before joining the TPP Division as a Corridor Planning Project Manager. His experience includes corridor planning, crash analysis, and management of transportation projects.
