Public Hearing Notice - Statewide Transportation Improvement Program

The Texas Department of Transportation (department) will hold a public hearing on Thursday, March 3, 2022 at 10:00 a.m. Central Standard Time (CST) to receive public comments on the February 2022 Quarterly Revisions to the Statewide Transportation Improvement Program (STIP) for FY 2021-2024. The hearing will be conducted via electronic means due to the public health precautions surrounding COVID-19. Instructions for accessing the hearing will be published on the department's website at: <https://www.txdot.gov/inside-txdot/get-involved/about/hearings-meetings.html>

The STIP reflects the federally funded transportation projects in the FY 2021-2024 Transportation Improvement Programs (TIPs) for each Metropolitan Planning Organization (MPO) in the state. The STIP includes both state and federally funded projects for the nonattainment areas of Dallas-Fort Worth, El Paso, Houston and San Antonio. The STIP also contains information on federally funded projects in rural areas that are not included in any MPO area, and other statewide programs as listed.

Title 23, United States Code, §134 and §135 require each designated MPO and the state, respectively, to develop a TIP and STIP as a condition to securing federal funds for transportation projects under Title 23 or the Federal Transit Act (49 USC §5301, et seq.). Section 134 requires an MPO to develop its TIP in cooperation with the state and affected public transit operators and to provide an opportunity for interested parties to participate in the development of the program. Section 135 requires the state to develop a STIP for all areas of the state in cooperation with the designated MPOs and, with respect to non-metropolitan areas, in consultation with affected local officials, and further requires an opportunity for participation by interested parties as well as approval by the Governor or the Governor's designee.

A copy of the proposed February 2022 Quarterly Revisions to the FY 2021-2024 STIP will be available for review, at the time the notice of hearing is published, on the department's website at: <https://www.txdot.gov/inside-txdot/division/transportation-planning/stips.html>
