LEGAL NOTICE OF PUBLIC MEETING

Texas Department of Transportation (TxDOT) will hold a public meeting on Tuesday, November 13, 2018, to present proposed roadway improvements for FM 756 in Smith County. The meeting will be held from 5-7 p.m. at Cornerstone Church gymnasium located at 9107 Paluxy Drive, Tyler, TX 75703. The meeting will be an open house, "come-and-go" format without a formal presentation. Representatives from TxDOT and its consultants will be available to answer individual questions.

The purpose of the meeting is to gather public input on three alignment alternatives. The projects' limits are from Jeff Davis Dr., south to FM 344 in Bullard. The proposed work includes widening the existing two-lane facility to four lanes with a flush median. The project will require new right-of-way from adjacent property owners.

All interested parties are invited to attend this meeting, gather information, and provide feedback. Persons with special communication or accommodation needs, including language interpretation, should contact TxDOT at (903) 510-9100 at least two working days prior to the meeting. Every reasonable effort will be made to accommodate those needs.

Written comments related to the proposed project may be submitted at the meeting or mailed to Texas Department of Transportation, Advanced Project Development Office, 2709 W. Front Street, Tyler, Texas, 75702. Comments may also be emailed to carson.hollis@txdot.gov. To be included as part of the project's official record, comments must be received by Tuesday, November 27, 2018.

The environmental review, consultation, and other actions required by applicable federal environmental laws for this project are being, or have been, carried out by the Texas Department of Transportation (TxDOT) pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated December 16, 2014, and executed by the Federal Highway Administration and TxDOT.

The Texas Department of Transportation is responsible for maintaining 80,000 miles of road and for supporting aviation, rail, and public transportation across the state. Through collaboration and leadership, we deliver a safe, reliable, and integrated system that enables the movement of people and goods. Find out more at txdot.gov.
