In-Person Public Meeting with Virtual Option

State Highway (SH) 22 at Laguna Park Roundabout Project From County Road (CR) 1801 to the Hill County Line

CSJs: 0121-01-053

Bosque County, Texas

TxDOT is proposing to improve SH 22 from CR 1801 to the Hill County Line in Bosque County, Texas. This notice advises the public that TxDOT will be conducting an online virtual public meeting on the proposed project with an in-person option. **The virtual meeting will consist of a pre-recorded video presentation and will include both audio and visual components. The presentation will be posted online by Thursday, March 5, 2026, at 5:30 p.m., and will remain online for at least 15 days.** To view the virtual public meeting, go to the following web address at the date and time indicated above: <https://www.txdot.gov/projects/hearings-meetings/waco/2026/sh22-at-laguna-park-roundabout-project-030526.html> . If you do not have internet access, you may call 254-867-2700 between the hours of 8 a.m. and 5 p.m., Monday through Friday, to ask questions and access project materials during the project development process.

Additionally, TxDOT is providing an in-person option for individuals who would like to participate in person instead of online. The in-person option will be held in an open house format. In-person attendees will be able to view the same presentation delivered in the online public meeting which will be playing on a screen, review hard copies of project materials, ask questions of TxDOT staff and/or consultants, and leave written comments. **The in-person option will be held on Thursday, March 5, 2026, from 5:30 p.m. to 7:30 p.m. at the West Shore Civic Association Community Center, 560 FM 3118, Clifton, TX 76634.**

The proposed project would improve State Highway (SH) 22 from County Road (CR) 1801 to the Hill County line in Laguna Park in Bosque County, Texas. SH 22 is currently a five-lane undivided roadway with two through lanes in each direction and a two-way left turn lane. The proposed project would reconstruct the roadway as a three-lane section with one through lane in each direction, a two way left turn lane, improved shoulders and pedestrian elements. The intersection of SH 22 and Farm to Market Road (FM) 56 would be converted to a single lane roundabout to improve safety and mobility. The project takes place over 0.720 miles of roadway and would need 0.040 acres of Right-of-Way (ROW).

The proposed project would, subject to final design considerations, require additional right-of-way and potentially displace one non-residential structure. Relocation assistance is available for displaced persons and businesses. Information about the TxDOT Relocation Assistance Program and services and benefits for those displaced and other affected property owners, as well as information about the tentative

schedule for right-of-way acquisition and construction, can be obtained from the TxDOT district office by calling 254-867-2700.

Any environmental documentation or studies, any maps and drawings showing the project location and design, tentative construction schedules, and other information regarding the proposed project are on file and available for inspection Monday through Friday between the hours of 8 a.m. and 5 p.m. at the TxDOT Waco District Office, 100 S Loop Dr, Waco, TX 76704, 254-867-2700. Project materials are also available online. These materials will also be available in hard copy form for review at the in-person option.

The in-person public meeting and virtual option will be conducted in English. If you need an interpreter or document translator because English is not your primary language or you have difficulty communicating effectively in English, one will be provided to you. If you have a disability and need assistance, special arrangements can be made to accommodate most needs. If you need interpretation or translation services or you are a person with a disability who requires an accommodation to attend and participate in the in-person public meeting or virtual option, please contact Jake Smith, Waco District Public Information Officer, at 254-867-2836 no later than 4 p.m. CT, February 27, 2026. Please be aware that advance notice is required as some services and accommodations may require time for the Texas Department of Transportation to arrange.

El reunión publica se llevará a cabo en inglés. Si usted necesita un intérprete o un traductor de documentos porque su idioma principal no es el inglés o tiene alguna dificultad para comunicarse eficazmente en inglés, se le proporcionará uno. Si usted tiene alguna discapacidad y necesita ayuda, se pueden hacer arreglos especiales para atender la mayoría de las necesidades. Si usted necesita servicios de interpretación o traducción o usted es una persona con alguna discapacidad que requiera una adaptación para asistir a y participar en la reunión publica, por favor póngase en contacto con Jake Smith, responsable de información pública del distrito de Waco, al número 254-867-2836 a más tardar a las 4:00 p.m. hora central,-del 27 de febrero de 2026. Por favor sepa que es necesario dar aviso con anticipación, ya que algunos servicios y adaptaciones pueden requerir tiempo para que TxDOT los organice.

Written comments from the public regarding the proposed project are requested and may be submitted by mail to the TxDOT Waco District Office, 100 S Loop Dr, Waco, TX 76704. Written comments may also be submitted by email to wac_districtpubliccomments@txdot.gov. All comments must be received on or before March 20, 2026. Responses to comments received will be available online at <https://www.txdot.gov/projects/projects-studies/waco/sh22-at-laguna-park-roundabout-project.html> once they have been prepared.

If you have any general questions regarding the proposed project or virtual meeting or in-person option, please contact Abram VanElswyk, P.E., TxDOT Waco District Structures and Project Delivery Engineer, at (254) 867-2752 or by email at Abram.VanElswyk@txdot.gov.

The environmental review, consultation, and other actions required by applicable Federal environmental laws for this project are being, or have been, carried-out by TxDOT pursuant to 23 U.S.C. 327 and a Memorandum of Understanding dated July 17, 2025, and executed by FHWA and TxDOT.
