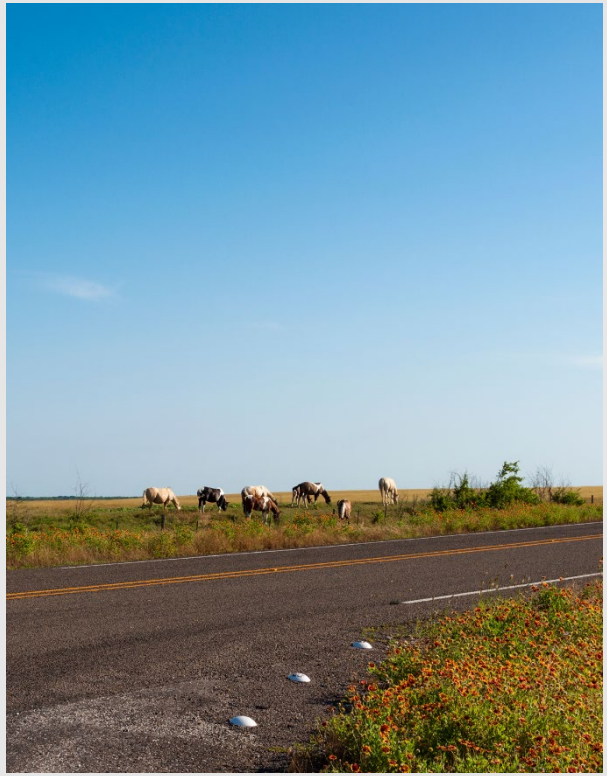
TXDOT RURAL TIP

Welcome!

RURAL TRANSPORTATION IMPROVEMENT PLAN 2021-2024

Virtual Public Meeting



Agenda

1. Safety Minute
2. Yoakum District & its Boundaries
3. The Rural Transportation Improvement Program (TIP)
4. How the Rural TIP Impacts You
5. How Projects are Selected for the Rural TIP
6. Projects by County
7. Funding
8. Next Steps

#EndTheStreakTX

Safety: Mission ZERO

TALK / TEXT CRASH

TxDOT

Safety Never Stops!

District Boundaries

Yoakum District

THE RURAL TIP

is list of local projects to be funded within a TxDOT District during the next four years, including those eligible for federal funding.

It can include projects for :

A Rural TIP project is anticipated to be funded within the next 4 years.

It shows regional agreement (community-region-state) on the need of a project.

How the Rural TIP Impacts You

The Rural TIP process includes opportunities to provide input on the priority of major projects that are listed on it.

Local and small projects around your community dealing with safety and access also get funding through the Rural TIP, for example:

Road expansions
Sidewalks
Bike lanes
Pavement repair or maintenance
New or improved signals
Turning lanes

You know your community best!

Tell us what project should come first and why

By participating today, you are providing input in 300 projects!

How Projects are Selected for the Rural TIP

Projects are identified and selected by evaluating existing and future needs based on:

current conditions and projections,
statewide and regional plans,
public input regarding transportation priorities

^ This would be you, right now!

For Example:

How Projects are Selected for the Rural TIP

Selected projects are separated into
2
main categories

1. Regionally Significant Projects

Those with the appropriate scale or reach to be considered as stand- alone projects in a given program year have their own category.

2. Grouped Projects

Those without the scale to stand on their own are grouped into one of 11 sub categories and considered as a single line item in the list.

Area Engineers

Rodney Svec, P.E.
Yoakum Area Engineer
(361) 293-4378
DeWitt, Gonzales, Fayette, and Lavaca Counties

Michael Brzozowski, P.E.
Victoria Area Engineer
(361) 572-5214
Victoria, Jackson, and Calhoun Counties

Ryan Simper, P.E.
Wharton Area Engineer
(979) 532-3141
Wharton, Austin, Colorado, and Matagorda Counties

Rural TIP De Witt County Projects

Funding

The Rural TIP is a fiscally constrained list of projects that functions as a budgeting tool for our District.

Funds can come from:

Federal Government

Through the Federal Highway and Transit Administrations

TxDOT

Through its Unified Transportation Program funding categories

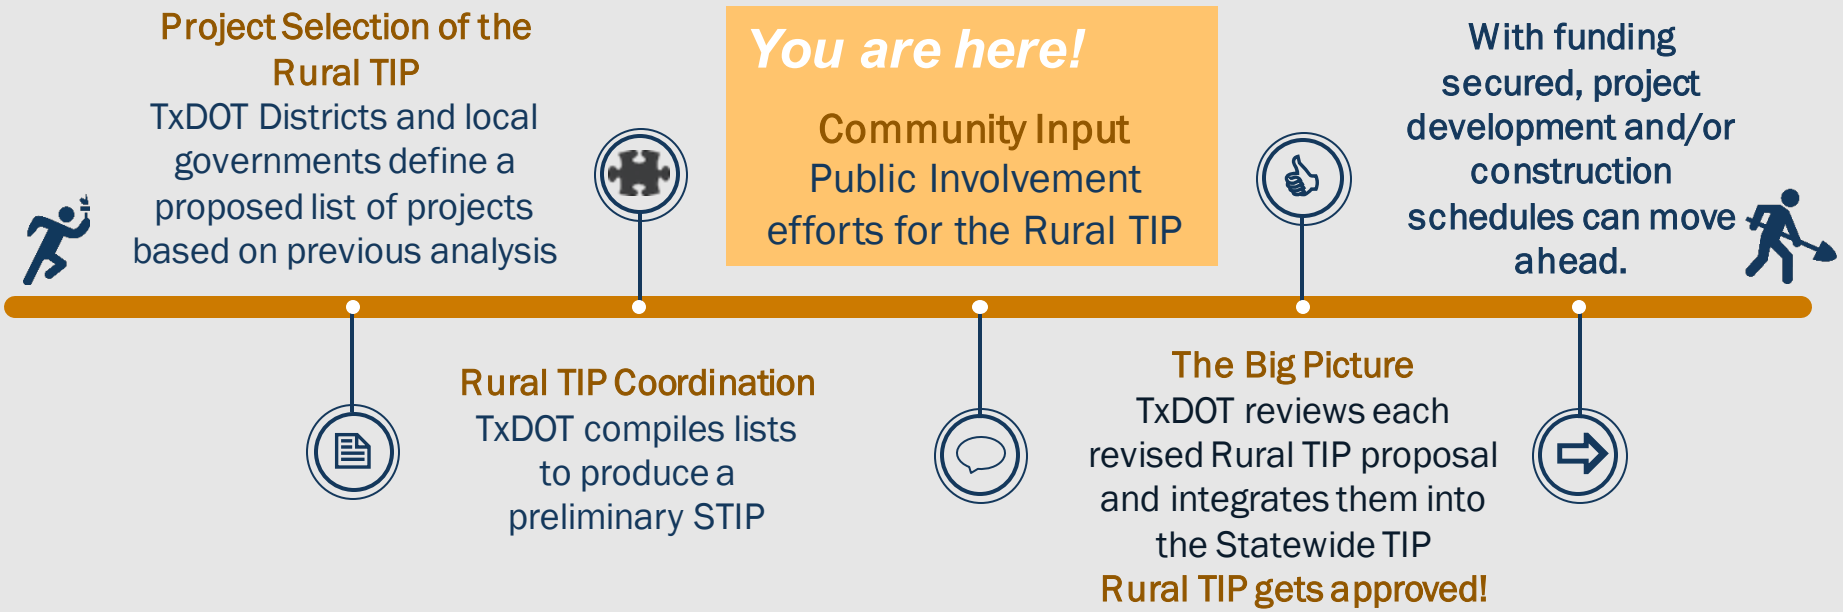
Local governments

Who may be required to provide matching funds for federal monies

"Fiscally constrained TIP" means:

It is realistic in terms of the amount of funding available.

In the Rural TIP Process



How to provide comments:
