Texas Department of Transportation

November 2026 Revision for the 2027 – 2030 Rural Transportation Improvement Program

YOAKUM DISTRICT

The Texas Department of Transportation (TxDOT) – Yoakum District will conduct an online virtual public meeting for the November 2026 Revision for the 2027 – 2030 Rural Transportation Improvement Program (Rural TIP). The purpose of this meeting is to provide information and receive comments on an expansion project in Wharton County. The Rural TIP includes both grouped projects and individually listed projects that include added-capacity projects and regionally significant projects to be funded outside of MPO boundary, and within a TxDOT district during the next four years, including those eligible for federal funding.

The US 59 project (CSJ 0089-07-166) is an expansion project on US 59 from FM 961 to CR 456 (Pierce) in Wharton County. The project was included in the 2027-2030 Rural TIP and was awarded in August 2026. Therefore, it is proposed for removal from the 2027-2030 Rural TIP.

You are encouraged to participate in the virtual public meeting and learn more about the expansion project in the Yoakum District:
