

TxDOT Houston District Approval Requirements

(Information contained herein is subject to change)

Geophysical Surveying (non-destructive methods**); Geotechnical Soil Investigation

- 1) Complete the one (1) page application.
- 2) * Submit proposed drawings.
 - a. If submitted hard-copy: provide two copies of 11" x 17" size.
-- OR --
 - b. If submitted electronically: provide documents on CD, DVD or flash drive.
- 3) Obtain and submit copy of a TxDOT right-of-way map. Contact the TxDOT Houston District Mapping Section at (713) 802-5127, (713) 802-5718, or at: Emile.Desormeaux@TxDOT.Gov .
On the map, please highlight / mark your property's location.
- 4) Provide aerial photo showing 1-3 mile radius around site, with site marked. This can be obtained from any mapping service, such as Bing, Google, MapQuest, Yahoo, etc.

*** Proposed drawings should be legible when viewed at 11"x17" size, and should contain the following information:**

- Edge of pavement
- Ditch line; indicate diameter of nearest upstream and downstream culverts.
- All driveways (**with name of business**) within 501 feet on either side of the property.
- All surface utilities and drainage structures on TxDOT rights-of-way.
- All entrance / exit ramps, and traffic signals, that are within 1,000 feet of proposed access(es).
- Posted Speed Limit on all adjacent TxDOT highways.

**** No operations shall be conducted in an area that may result in damage to the pavement or shoulder or other highway facilities, and impact or vibration equipment shall not be used on traffic lanes or paved shoulders.**

**NOTE: Incomplete packages may be delayed or returned to you for re-submittal.
Please ensure you've provided all of the requested information.**
