

Jade at age 9

**She never
made it to her
10th birthday.
DRIVE SOBER. NO REGRETS.**

Jade was the queen of the house, the baby of the family, and the spark in everyone's life. A few days shy of her 10th birthday, while she and her family were driving back from her birthday party, a drunk driver T-boned their car, killing her in the crash. Please, always find a sober ride—it saves lives.
