**SPEAKERS**

**Ingrid Brown**
Owner/Operator, Rollin' B LLC

Based in Zionville, North Carolina, Ms. Brown has 40 years of experience in the transportation industry as an independent owner/operator. She has logged more than 4 million safe driving miles throughout 48 states. Ms. Brown was recently appointed as the CMV Driver and Voice of Safety for Our Roads, Our Safety, a Federal Motor Carrier Safety Administration (FMCSA) national safety campaign shaped to raise awareness about sharing the road safely with large trucks and buses.

**Jimmy Aguirre**
Driver, H-E-B Grocery Company

A 44 year employee of H-E-B, Mr. Aguirre has 35 years of experience as an H-E-B fulltime driver and has logged more than three million career safe miles. He reached two million consecutive safe miles in 2007 and was as the eighth H-E-B driver to achieve “Legend Status.” He has participated in the Roadeo Competition. He is a Material Handling Equipment (MHE) trainer and driver trainer and is active in several H-E-B safety related employee committees.

**David Martinez**
Driver, H-E-B Grocery Company

Mr. Martinez has 26 years of experience as an H-E-B fulltime driver and has logged more than 1.8 million career safe miles. He was H-E-B’s Driver of the Year in 2018 and has had eight appearances at the National Roadeo Competition, more than any other H-E-B driver. He was a key participant in the development of H-E-B’s current Delivery Driver Training Program. Mr. Martinez is the first H-E-B driver to become a Certified CDL Examiner and has 14 years of driver trainer experience.

**Mike Meyer**
Partner and President, TLG Transport

Mr. Meyer has 42 years of experience in the transportation industry and serves as an industry instructor for Surface Transportation at the California Maritime Academy. At TLG Transport, Mr. Meyer provides supply chain and global and domestic transportation solutions, specializing in over-dimensional, heavy haul, and specialized transportation. TLG Transport has been an independent agency representing Landstar Transportation Logistics since 1992.

**Darin Stanley**
Project Manager, Perkins Specialized Transportation Contracting

Mr. Stanley has 30 years of experience in the specialized heavy haul and crane industries. He worked as a Certified Crane Operator until 2001 and since then has served as a Dispatcher, Project Estimator, Safety Manager, Project Coordinator and Project Manager. Mr. Stanley is active in the permitting of oversize/overweight loads throughout the U.S. and Canada and trains and mentors new Perkins hires on permitting and ancillary items.

**David Womack**
Regional Transportation Manager, Bigge Crane and Rigging

Mr. Womack hails from an East Texas trucking family and began learning the family business when he was 12. He has been a CDL holder for 32 years and his OS/OW experience covers 48 states and Canada with weights of up to one million pounds. He currently manages OS/OW shipments including construction equipment, wind energy components, power generation rotating gear (towers and Nacelles), and hydrocarbon process vessels on single lane and dual lane trailers.
