

# Truck Parking Recommendations and Action Plan - Appendixes

---

WA 3 Task 2.12 & 2.13

Final 1: April 9, 2020

## Appendix A: Site Feasibility Study Locations

Exhibit 1 shows the 76 locations have been identified as priorities for conducting site feasibility studies to determine if they should be expanded, upgraded, or repurposed for truck parking. Note that the list is alphabetical by District and does not imply any ranking of sites within the “Primary” and “Secondary” categories.
