

# Project Information and Notice to Contractors, Letting Schedule, and Category Analysis Dashboards on TxDOT.gov

Some information currently published in reports on TxDOT.gov will become available in interactive Tableau dashboards starting in June 2022. The current pages and reports will continue to be available but will no longer be updated starting in July.

## Dashboard Benefits

### Customize your view to see only what you need

Apply filters, sort data, interact with data visualizations, and download custom reports.

### Data is updated hourly

Timestamps assure you that the data you are viewing is up to date.

### Information is uploaded automatically

Dashboard data is pulled directly from TxDOTCONNECT.

### Significantly reduced number of reports, webpages, and links

A single destination to view the big picture or more specific information.
